THE PRIVATE WEALTH NETWORK

Priwexus is a unique membership community of single family offices, prominent business families and individuals of significant wealth in India.

It is an impartial peer-to-peer networking forum dedicated to serve all the key focus areas of successful families including investments, philanthropy, family governance, tax, legal, estate management and next-gen education.

Privexus offers a premier gateway to Indian Family Offices & HNW Families to connect and learn from their counterparts from across all disciplines of the global Family Office Community.

Guided by an illustrious Global Advisory Board and supported by prominent family office membership groups from across the world, Privexus is a unique forum for high net-worth individuals and families to connect, learn and grow with each other. We deliver education, proprietary research, and access to outstanding thought leadership. In addition, we host a variety of exclusive members-only conferences, deal-flow summits, educational programs and networking events.
